OFFICE OF PETITIONS

In re Application of :  
Paul J. Carter, et al. :  
Application No. 10/578,410 : DECISION ON PETITION  
Filed: March 5, 2007 :  
Attorney Docket No. 3492-US-PCT :

This is a decision on the petition, filed July 31, 2009, which is being treated as a petition under 37 CFR 1.181 (no fee) requesting withdrawal of the holding of abandonment in the above-identified application.

The petition is **DISMISSED as MOOT.**

Petitioner asserts that the Notice dated May 1, 2009 was not received.

A review of the written record indicates no irregularity in the mailing of the Notice of Allowance (Notice), and, in the absence of any irregularity, there is a strong presumption that the Notice was properly mailed to the practitioner at the address of record. This presumption may be overcome by a showing that the Notice was not in fact received. In this regard, the showing required to establish the failure to receive the Notice must consist of the following:

1. a statement from practitioner stating that the Notice was not received by the practitioner;
2. a statement from the practitioner attesting to the fact that a search of the file jacket and docket records indicates that the Notice was not received; and
3. a copy of the docket record where the non-received Notice would have been entered had it been received must be attached to and referenced in the practitioner's statement.

See MPEP § 711.03(c) under subheading "Petition to Withdraw Holding of Abandonment Based on Failure to Receive Office Action," and "Withdrawing the Holding of Abandonment When Office Actions Are Not Received," 1156 Official Gazette 53 (November 16, 1993).

The petition fails to satisfy all of the above-stated requirements. Further the petitioner has submitted the reply to the Notice of Allowance and Fees Due in a timely manner. A courtesy copy of the Notice of Allowance and Issue Fee(s) Due is being mailed to the applicant.

Since the \$400 petition fee submitted with the petition on July 31, 2009 is deemed unnecessary, this fee will be credited to petitioner's deposit account.

Further correspondence with respect to this matter should be addressed as follows:
